Subject: Request for Extension of Time to Submit B.Sc. Certificate Photocopy

Dear Sir/Madam,

I respectfully request a short **extension of time to submit the photocopy of my B.Sc. certificate** for the EMBA admission process. During the admission process, I have already presented my original academic transcript and submitted a photocopy as required.

However, my original **B.Sc. certificate will be issued on 28 March**. Therefore, I will be able to present the original certificate and submit the photocopy by 29 March.

In this regard, I kindly request that you allow me time until **29 March** to submit the required document. I would be grateful for your kind consideration and approval of my request.

Sincerely,

Mahmudul Hasan Piash
